

## Happy Mothers' Day!

A mother is a precious gift. To all of you who are blessed to still have your mom around, make sure you give her a big a hug and let her know how much she means to you. If you are missing the joy of hearing the wisdom of your Mother this year, the list below should make you feel right at home! These are time tested sayings, handed down generation after generation. How many of these did you grow up with?

### *Universal Mom Sayings*

Who do you think you are?

Ask your father (closely followed by "Ask your Mother")

Bored! How can you be bored? I was never bored at your age.

I'll treat you like an adult when you start acting like an adult!

Look at me when I'm talking to you.

Don't you roll your eyes at me!

Don't pick it, it'll get infected.

I don't care if "*insert child's name here*" Mom said yes.

You'll put your eye out with that thing!

I'm going to give you to the count to three.

Don't put that thing in your mouth, you don't know where it's been.

Wear clean underwear in case you get in an accident and have to go to hospital.

Don't cross your eyes like that, one day they'll freeze that way

I don't care who started it, I'll finish it!

Don't EVER let me catch you doing that again!

Why? Because I SAID SO, that's why!?!

If such and such jumped off a cliff, would you jump too?

If I catch you doing that one more time, I'll...

Your father is going to hear about THIS when he gets home!

If you can't say something nice, don't say anything at all.

How many times do I have to tell you, don't throw things in the house!

Do you think your clothes are going to pick themselves up?

"I don't know" is NOT an answer!

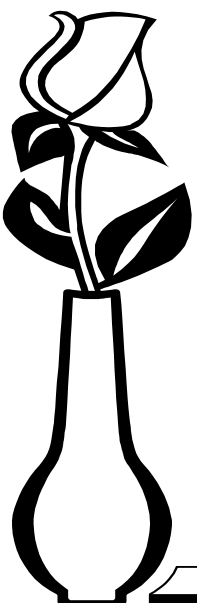

I know it's not fair. Life isn't fair.

# SENSEI SAYS...

Remember everyone through the months of June, July and August we will be wearing the summer modified uniform for training. This consists of the Gi pants, your training tshirt and your rank belt. No Jacket Required! The Gi top can be put away until September at which time all students will be required to wear the full uniform again. Students will also need the wooden training sword (AKA Bokken) for summer training. Board breaking will also be coming around soon.

Be Ready!

## WHO KNEW?

Even after they've given birth, mothers often feel as if their children are a part of them. This is true: In a phenomenon known as fetomaternal microchimerism, a fetus can leave behind cells that linger in the mothers body for up to 38 years after the pregnancy.
